

Dear Business Owners and Friends:

Let us take this opportunity to introduce you to Buffalo Bagpipe Band Club.

Buffalo Bagpipe Band Club is dedicated to developing Scottish bagpipers and drummers at the highest level in our community. The leadership consists of world class level pipers and drummers that have dedicated themselves to the Scottish musical arts and are now passing that tradition onto the next generation of local musicians. As the club begins its first year, it is very apparent that the Buffalo Bagpipe Band Club will have a positive impact on the Celtic culture and music of the region. We are offering a unique opportunity to entities such as yours to help support this band by becoming a Buffalo Bagpipe Club Band and/or Drumline Sponsor.

Buffalo Bagpipe Band Club members are dedicated volunteers. Our only sources of revenue will be through sponsorship opportunities, donations from generous individuals and businesses, and what the club makes from its engagements. With the high cost of drums, the club needs to raise considerable funds.

In order to make this club a proud Celtic entity in the community, we are giving businesses, family and friends the opportunity to help our dreams turn into this reality by becoming a sponsor or donor! While any sponsor level you select will be greatly appreciated, a donation of \$400 or greater will earn you some very valuable business marketing tools through our website, Facebook page, and a custom drum sponsor image of your choosing applied to one of our drums for 1 year. A sponsorship of \$800 will earn you a custom drum sponsor image of your choosing applied to TWO of our drums for 1 year and a mini band performance from the Buffalo Bagpipe Band Club at a date and local Western New York venue of your choice to be arranged through our Band Manager. These drumline sponsorships are limited to 12. Please take a moment to review and select the sponsor package which best fits your business and budget.

Respectfully yours,

Thomas C Foote
